*If you touch me soft & gentle, If you look at me and smile at me
If you listen to me & then talk to me, I will grow, grow and really grow*

From the Desk of Deputy Commissioner

"The secret of education is respecting the pupil". Through the medium of CMP Newsletter, we encourage our students to showcase their talent and creativity. It is indeed a matter of great pride and privilege that K V Jutogh Cantt. is bringing out the issue of CMP Newsletter. It exposes the various abilities of the students in cultural, innovative and co-curricular activities. It also reflects the activities of the teachers done in the school in order to bring all round development of the children.

I hope to keep this energy of our children alive in the coming years and give it a shape in myriad ways. I appreciate the efforts done by the editorial team and all primary teachers for their commendable work in bringing out this Newsletter on time

From the Desk of Principal

It gives me immense pleasure that my staff is bringing out E-Newsletter. Childhood is the most important phase of life. Implementation of CMP provides ample opportunities to children to express themselves. This newsletter is a glimpse of my teachers' and students' work. I appreciate the efforts of the editorial team.
